

Bulletin

Issue 32

6 April - 6 May 2011

PRINCIPAL'S UPDATE

Exam season is here; all Year 11, Year 9 and many of Year 10 are making final preparations to achieve their highest grades and levels possible.

We saw many Year 11 parents this week and discussed revision plans. We are inviting Year 10 parents to an Information Meeting on Tuesday 26th April, the day we return from the Easter break.

Our new building continues in advance of schedule and we are finalising proposals to ensure a smooth transition to the maximum benefit of all students and staff.

Our drive on increasing the rate of student progress continues and we thank you for your support. Together we need to ensure maximum attendance, focus, engagement and the highest quality of work for all students at all levels and ages.

We wish you a restful Easter break.

PRINCIPAL

Marathon Fundraising

Mr Toland is taking part in the London Marathon on Sunday 17th April. He will walk the 26.2 miles to raise money for the student South Africa trip in 2012. They will visit some of the Oasis projects that enable children to have the opportunities to attend school; they support families who live in poverty and train young people to develop and improve their communities.

Please sponsor him via the Just Giving web page online:

<http://uk.virginmoneygiving.com/JohnToland>.

All contributions welcome.
We will also hold a collection in school after the marathon.

CURRICULUM

Hard Work On Display

On Wednesday 30th March, Year 7 hosted their annual Competency Department Showcase.

This event is run to enable Year 7 students to 'show off' their fantastic projects and classroom assignments, which they have been working on since September.

The event was well attended by parents, grandparents, and siblings, plus teachers from junior schools and staff here at Mayfield. It allowed the students to not only show examples of their work, but also to talk about the many experiences and challenges they have had in their short time here at the Academy.

Visitors were hugely impressed with the event and here are a few of their comments:

"Competency has really helped with the transition from being at Junior School to Secondary education."

"It was fantastic to look at the work."

"Everything about this event is exceptional!"

"We enjoyed this very much."

Many thanks to all the students, family members and staff (past and present) who were involved.

To Live is to Learn

CURRICULUM

New Year 6 Parents' First Visit

On Tuesday 15th March, the Academy welcomed for the first time, the families of Year 6 students who will be joining us in September. This event was held as soon as conveniently possible after the Secondary education allocation letters had been received by Year 6 parents, so that everyone involved - staff, parents and students - could meet and discuss plans for the academic year ahead.

We had approximately 180 visitors comprising of around 80 families to our Parents' Information Evening. There was a very energetic atmosphere during the tour of the Year 7 classrooms and then the Principal John Toland gave a short presentation in the Hall. Three of our Year 7s spoke confidently to the audience in the Hall (Lydia Booth, Sam Grace and Joshua Reed) about their experiences so far and about being in Year 7 and learning at the Academy. Other Year 7s who helped were Louise Best, Shelby Field, Jack Fenna and Maddison Tonner. All of these students were excellent and we thank them very much for their contribution. Along with staff, this resulted in a very informative and positive event for our future Year 7s and their families.

Here are some comments from visitors:

"Your students were confident and very polite. They have answered all of my questions and sold the school to me."

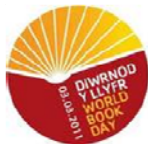

"The students projects were well written, they must be very motivated to work so hard."

"The Principal explained it all very clearly, I feel reassured about the Academy now."

"It was great to hear from the Academy straight after getting our offer letter. You are very well organised and welcoming."

"My son is very able and expected to get Level 5s. Having seen the work and met some of the students, I think he'll do well here."

Library News

The World Book Day Quiz competition winner is Zach Barnes from Year 8. Well done Zach!

How about a bit of Easter Fun! Why not enter the Easter Quiz competition to win a great Easter prize. Simply collect an entry form from the Library and return your completed sheet (back to the Library) by Thursday 28th April. Don't forget to put your name and Tutor group on it. Good Luck!

Help Is At Hand During Half Term

On Friday 11th March, a group of Year 9 students visited the Southampton Solent University for an Aim Higher University Taster Day.

The intention of the visit is to give students a sample of university life and break down some of the mystery and apprehension about what higher education might be like in the future.

The day started with a questionnaire about their thoughts on the university. This was followed by a drama workshop run by university students. Although it was actually part of a university course, our students still found this interesting and fun. After the workshop they were given a tour of the campus. They were also given a quiz sheet and had to go round to different departments for the answers.

During the last part of the day, students were challenged to design their own university and there were prizes for the best ones. The students behaved extremely well and thoroughly enjoyed the experience. It has certainly given them a better understanding of university life.

with Parents and Students

CURRICULUM

On Monday 4th April a group of Year 10 students took part in the Solent EBP (Education Business Partnership) Language Challenge at Southampton University. The aim of the challenge is to raise awareness of the relevance of language skills within a work and business context, but also to make using a language fun.

We entered 3 teams; 2 Spanish and 1 French team. The students had to provide a marketing presentation to promote Southampton to tourists in their chosen language. All the teams did extremely well and although we did not win, the Mayor was asked to give her overall choice for the best presentation which went to our French team of Kelvin Mugariri, Jasmin Lucas and Shannon Banger. The Mayor said she was very, very impressed and so was everyone else, particularly by the way Kelvin conducted himself. In her speech, the Mayor also commented on how smart all the students from Mayfield looked in their uniform. Mrs Munoz and the Academy students really enjoyed the experience and did the Academy proud. Well done and thank you to all involved.

Helpful Planning For Year 11

Here is the list of College Open Days/Evenings being held in April, May and June.

As before, you can contact Connexions Direct for information and advice on your future choices. Tel: 023 8091 7753 Web: www.connexions-direct.com

April 2011

Wednesday 6th	City College (Business & IT, Customer Service, Travel & Tourism)	5.30 - 7.00pm
---------------	--	---------------

MAY 2011

Thursday 5th	Brookenhurst	6.30 - 8.30pm
Thursday 5th	Barton Peveril	6.00 - 8.30pm
Saturday 14th	Sparsholt College - Countryside Day	9.30 - 4.30pm
Wednesday 18th	Highbury	4.30 - 7.00pm

June 2011

Wednesday 22nd	Eastleigh	5.30 - 7.30pm
----------------	-----------	---------------

Please Note:

The Academy now has a new Careers Advisor - **Eileen Geddes**, who is available to see students who need further help and advice about careers or going to college. You can drop in on Eileen in Room 401 during break and lunch time on the following days:

Week 1: Wednesdays

Week 2: Thursdays and Fridays

Or contact her via email:

Eileen.Geddes@oasismayfield.org

Don't forget - always check the dates and times on the left before visiting the colleges listed, or visit the Academy website for any updates:

ACADEMY ACHIEVEMENTS

Trading Success

Young Enterprise Company Name: **Fusion**
 Young Enterprise Team: 2010-11

- Josh Reisoglu - Managing Director
- Jordan Cann - Deputy Managing Director
- Mariam Akbari – Sales Director
- Beth Young – Sales Director
- Emily Singleton – Marketing Director
- Molly Watts – Deputy IT Director
- Ellie Hendricks – Product Designer
- Rizvan Rahman – Operations Director
- Simon Parsons – IT Director
- Ryan Downie – Finance Director
- Reece Pillay – Company Secretary
- Callum Healey – Creative Director

On Saturday 26th March the Young Enterprise team went to Gunwharf Quays to set up a stand selling sweets. Part of the Young Enterprise programme is to run a trade stand and come up with a business idea for making money from the stand. As well as the product, this has to include marketing, sales technique, presentation, communication and teamwork. The whole group made products over the 4 weeks leading up to the 26th, during the weekly Thursday meetings. They made an assortment of sweet products which were sold on the day; the most successful being toffees which were bagged and labelled up. They also produced handmade Easter eggs.

The trade fair started off very quiet, but soon picked up as shopping areas do on a Saturday. The students talked to potential customers using 'ice breaking' questions given to them by Miss Williams, the link teacher, which worked well. The group then split into teams; one half stayed on the stall, whilst the other half went around selling sweets, creating a part stand and part mobile selling stall. This also worked really well, as it created more awareness about the products for sale. Throughout the day price tags were updated and the stand was kept tidy and attractive to encourage customers to buy. The hard work really paid off and all the products sold out at 1.30pm that day!

Thank you to Miss Williams, Miss Barnett and Mr Jones and a huge well done to the students for their hard work and professional attitude. The customers were extremely impressed at the enthusiasm over the products and how the students engaged with the general public.

PERSONAL ACHIEVEMENTS

The Right Result!

We are very proud of our students here at the Academy for what they achieve during the school day as well as what they achieve for themselves outside of the Academy. We have talented divers, rowers, golfers, dancers and footballers, to name a few.

Last month Adam May appeared in the Southern Daily Echo no less than three times for his skill as a footballer and his contribution to the game. Adam plays for Southampton Boys Under-13, along with Jack Attrill, and has significantly helped them reach a place in the English Schools Under-13 Final this month.

Well done to them both and we will keep you updated on the final result.

Pictured below: Adam May and Jack Attrill

COMMUNITY

Red Nose Day

On Friday 18th March, students and staff really got into the fundraising spirit for Red Nose Day and took part in a number of activities to raise money for Comic Relief.

The Academy challenged students to come up with creative ways to be sponsored and they did not disappoint! The Academy has currently raised over £1400 with activities such as; dressing up as your favourite villain or monster instead of school uniform, two fabulous cake sales, a raffle, face painting, an old English tea party, sponsored walk and sponsored silence, running around the field as many times as possible in half an hour and of course the sale of red noses, to name but a few.

Although we have raised a fantastic amount so far: we can do more. There are still a number of outstanding sponsor forms not handed into Student Services and it is now very important that we get that money in as soon as possible. Who knows, we may be able to reach the £2000 mark! Please fulfil your pledges and make your efforts count.

Thank you.

Oasis Global Conference

Last month, Mayfield's Student Services Director, Mrs Dawkins, had the opportunity to attend the Oasis Global Conference in South Africa. This is held every 3 years and brings together many different members of the Oasis family to discuss the Oasis community projects across the world.

The attendees of the conference stayed at Hartbeeshoek Safari Centre, just outside Johannesburg and approximately 45 minutes away from Cosmo City. Cosmo City is where students from Mayfield will be visiting in July to work with children and young people running sports leadership activities based on the Olympic and Paralympics Values. Cosmo City is also important, not just for this project, but also because it is being rebuilt to replace the old Diepsloot Township as an integrated housing development, which will bring hope and rejuvenation to the people there.

The conference consisted of several days of meetings, discussions and presentations. Within that Mrs Dawkins had an opportunity to experience the real South Africa along with the other visitors, ie a late afternoon visit to the local craft market and a very early morning safari to see the wildlife on the reserve. There was also a very special celebration dinner with traditional South African food, tribal dancing and a tree planting ceremony as a gift to the host families where they were staying.

Finally there was a very special visit to a pre-school, where Mrs Dawkins handed out the notebooks, pens, colouring pencils, reading books, Saints shirts and red noses, donated by staff, students and the community. The generosity of these gifts went a very long way and the children were absolutely thrilled.

For more information on the work that Oasis does in South Africa and across the world visit:

www.oasiscommunitylearning.org

Pictured bottom right: the delegates
Below: Mrs Dawkins gets up close to the wildlife!

EXTRA CURRICULAR ACTIVITIES

Reaching New Heights!

On Wednesday 30th March, 10 students represented the Academy by taking part in the Hampshire Trampolining Competition held at Portsmouth High School. They all worked really hard for many weeks leading up to the competition and it showed during the contest, as they performed their individual routines to an audience of over 40 spectators.

We were the most successful school in the four categories and came away with the following:

- 14th place: Cara Redding Year 8
- 7th place: Amy Walker Year 9
- 6th place: Jack Stacey Year 11
- 5th place: Morgen Hobbs Year 9
- 4th place: Lewis Wells Year 8
- 3rd place: Josh Smurthwaite Year 8**
- 2nd place: Sherelle Theobolds Year 9**
- 2nd place: Tamara Ramsey Year 9**
- 1st place: Tiffany Redknapp Year 9**
- 1st place: Lana Edwards Year 8**

Those highlighted received medals.

Our students were entered in the categories below :

Yr 7/8 level 2 – Lewis, Josh and Lana
(15 competitors in the group)

Yr 7/8 level 3 – Cara
(17 competitors in the group)

Yr 9/10/11 level 2 – Sherelle and Tiffany
(5 competitors in the group)

Yr 9/10/11 level three – Amy, Jack, Morgen and Tamara

(14 competitors in the group)

Our Year 9 students were competing against 16 year olds, which didn't faze them at all. Infact, the behaviour of all the students was fantastic and they were a credit to the Academy, not to mention they were the smartest there in their Academy PE kit. Congratulations to all of them.

Students Speak To The House

Pictured above from left to right:

Jasmin Houghton, Jack Bowers, Katie Downer, Jodie Freeborn, Stephen House, Mrs Bolwell and Jordan Cann

On Wednesday 30th March, Mrs Bolwell and six students, Stephen House, Jordan Cann, Jack Bowers, Katie Downer, Jasmin Houghton and Jodie Freeborn went to London to participate in the Oasis Student Leaders National Conference. Representatives from all 13 Academies were there and each one gave a short presentation on the pros and cons of raising the school leaving age to 18.

Following an early start, they were given a guided tour of the Houses of Parliament, which was amazing! They met Lord Janner on the way round who, as well as being a life peer, is a member of the magic circle. He stopped and performed some very clever magic tricks for us and although Mrs Bolwell was stood right next to him, she still did not see how he did it! After the tour the students were treated to some lunch in the Churchill War Rooms and then it was on to the serious business of presentations and discussion for the rest of the afternoon.

Well done to Jack and Jasmin who presented the ideas from Mayfield. The students were professional and behaved impeccably. They were a credit to the Academy.

Another Great Quiz Night

The Academy held another successful and entertaining Quiz Night on Friday 18th March. There was a really good competitive atmosphere between the 14 teams that took part. The winners were a group of parents called the Shy Teds! Well done to them. The evening raised nearly £100 for the South Africa Trip in July. Thank you to everyone who came along and contributed.

16th – 20th May 2011
'Walk Smart - Park and Stride!'

Why get involved with Walk to School?

- Get dropped off away from the school gates to walk a longer distance
- VIVOS will be awarded during this week to participants
- Get into good habits for the new Academy building

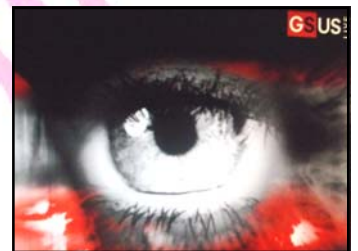

It's Practical!
It's Green!
It's Healthy!

GSUS Live!

There will be an interactive RE Experience for KS3 students from Tuesday 3rd to Friday 6th May.

Oasis Academy Mayfield is one of five schools to host the GSUS Live multimedia RE experience in the coming weeks. A large mobile classroom will be based outside the KS3 site from Tuesday 3rd May and students will have the opportunity to go inside and take part in this special lesson. Students will be asked to provide "agony aunt" advice to three characters and will then be able to draw advice from the wide range of on board media. Presenter, Andy Morgan from St Andrews said, "This RE lesson will be unlike any that the students have had before, we are delighted that this amazing resource is coming to the Academy".

To get a sneak preview, please visit www.gsuslive.co.uk

Fundraising Winner

The winner of the South Africa Fundraising Quiz was: Mr Simmonds, who was the only person to answer every question correctly! Well done to Mr Simmonds

Thank you very much to everyone who entered and helped raise funds towards the SA2011 Trip.

We will be printing the answers to the quiz in the Next Bulletin (33) at the beginning of May.

WE ARE COLLECTING!

Please support us by sending in your Tesco's and Sainsbury's Schools Vouchers. Thank you.

YMCA

Open to all students in:
Year 7, 8 & 9

3 Day Activity Residential
Friday 15th April – Sunday 17th April

Activities will include:

- Archery
- Kayaking
- Raft Building
- High Ropes
- Team Building
- Problem Solving
- Climbing
- Abseiling and much much more

£114.00 per student
