

We expect our students and staff to follow the Mayfield Way; to be proud, be determined, be kind and be the best. .

The Mayfield Way forms part of our EPRAISE reward system, which is an important part of Academy life.

We love to acknowledge students' hard work and success and do this in a number of ways; from simple verbal praise, a phone call home or Praise Postcard, through to prizes presented in assembly.

Epraise points can be awarded for a wide range of reasons including:

- Following The Mayfield Way in and out of the academy.
- Attendance and outstanding progress.
- Healthy eating, exercise and extra-curricular clubs.
- Display work or performances.
- Taking responsibility in the academy.
- Being a good ambassador outside the academy.
- In addition to prizes, students can earn milestone certificates starting with Bronze for 300 points, up to Sapphire for 4000 points.
- Students can use their Epraise points to 'purchase' a range of gifts, challenges and activities.

We also use Epraise to support [Homework](#). It can be set, monitored, reviewed and returned via the Epraise system. Both students and parents are supplied with a login and guides for use at the start of academy life. A reminder of how to access Epraise can be found on our website under [Homework](#) (located under both Parent Info and Academy Life/Curriculum).
