

# TOP UP & WARM UP PROGRAMME

**YEAR 11 EXAMS 2024**

# WHAT IS A TOP UP?

**Top Ups** are revision sessions, usually lasting 1-hour. Your teachers will structure the support they give you to cover topic areas that may need further strengthening before your final examination.

# WHAT IS A WARM UP?

**Warm Ups** are last-minute booster sessions, usually lasting 20-minutes. These will take place just before each final examination and empower you to achieve your best.

# ARE THEY USEFUL?

*“Yes – they are!” (Year 11 Student)*

Previous Year 11 students have found them to be extremely helpful. They said:

*“All the main topic areas came up on the paper.”  
“I remembered the knowledge covered in Warm Ups  
and used them in the exam.”*

Remember you **must** attend the Top Up and Warm Up sessions **and** keep to your personalised programme during the school day. When you are not in a Top Up or Warm Up, you are in your **normal** timetabled lessons.

**Your teachers will help you prepare for final examinations – make the most of the help on offer to you.**

# **GOOD LUCK!**
