SEND Information Report

Values and Principles that inform our Academy offer

“Pupils with special educational needs and/or disabilities have strong individual support plans that explain how those pupils can learn best. Staff use these plans well to shape activities in lessons.” OFSTED March 2020

We are committed to meeting the needs of all students with no exceptions. There is a shared expectation that all students, regardless of their specific needs, should be offered inclusive teaching, which will enable them to make the best possible progress in school and ensure they can actively participate in the wider aspects of Academy life. At Oasis Academy Mayfield, we ensure that young people and whole communities are offered the support, education and spectrum of opportunity that they deserve in order to reach their potential, including students with special educational needs and disabilities.
