

December 2019

Dear Parent / Carer

Year 11 – Mock Examination Results Consultations

I am writing to you in advance of the Christmas break to inform you of our important Mock Examination Results Consultations, which will take place on **Tuesday 28 January 2020**.

As I am sure you can appreciate, the recent mock examinations are an important part of Year 11 as they will give an indication as to how well your child may do in their GCSE examinations. In addition, your child's teachers will use the results from these examinations to further support your child's ability to master key knowledge and skills.

We understand that our students are keen to receive their results from these examinations on their return in January to better prepare for their GCSE examinations in the summer. To this end, we will complete individual Mock Examination Results Consultations in partnership with both you, parents / carers, and your child.

Each consultation will last for 20-minutes and will be facilitated by either your child's tutor or a member of the Senior Leadership Team. Further details will follow in January about scheduling your appointment and which member of staff you will meet. Your consultation will include:

- presentation of your child's mock examination results
- constructive and guided academic mentoring to support your child's progress
- updated timetable for the spring term, including timetabled interventions
- structured revision booklet to support independent revision

Our consultations are an **essential** part of our Year 11 programme of support. It is therefore vital that both you **and** your child attend your consultation appointment in January.

Should you wish to discuss this further, please contact Mr S Knight at the school between the hours of 8.00am and 4.00pm from Monday to Friday. Alternatively, you can make contact by email using Simon.Knight@oasismayfield.org.

We hope you agree that this is an exciting opportunity for both you and your child to further realise their potential, and best prepare for their summer exams.

Yours sincerely

Mr S Knight
Assistant Principal

Principal - Claire Taylor
