

Dear Year 11

Teaching and Learning Update – Year 11

When we started the year together, we were looking forward to embedding and mastering the key knowledge, skills and understanding in each of your chosen GCSE courses. We did not envisage the significant change to society that we continue to experience, or the wider impact that it would have on both you and families across the country.

Although we are navigating the unknown together, I hope that during this difficult time you have appreciated the continued support we have provided through our home learning programme and that you have felt valued as part of 'Team Mayfield'.

Home Learning

We are proud of the continued engagement of Year 11 throughout this term; the dedication you have shown to your learning in spite of the challenges we face is inspiring. I know that you will join me in thanking our incredible team of staff at Mayfield for their continued commitment; our staff, just like you, have been working harder than ever to find ways to connect with, and bring learning to, those of you continuing your learning at home.

As we approach the end of this half term, we do so with a renewed sense of direction as we turn our attention to the next steps you will take as you graduate from Mayfield as a valued member of our community. Whether you are transitioning to college or embarking on an apprenticeship, we are dedicated to ensuring you are as prepared as possible as you begin the next exciting phase of your learning journey.

To realise our continued commitment, your class teachers have today released all Year 11 students from your timetabled lessons and will therefore no longer set you work to complete when we return from May half term. This will empower you with the time to focus your attentions on securing strong foundations for your future and your fast approaching transition.

Transition to Year 12

Both colleges and apprenticeship providers across the city are dedicated to ensuring you have all the information you need for your academic transition, promoting the value of scholarship and further developing your independence as a young adult. If you have already applied for a college place to start this September, it is likely that the college will have been in contact with you already to support in navigating a successful transition to your chosen course(s).

Principal - Claire Taylor

Oasis Academy Mayfield

Ashley Crescent, Southampton, SO19 9NA

Tel: 023 8032 8128 Email: info@oasismayfield.org
www.oasisacademymayfield.org

Oasis Academy Mayfield is sponsored by Oasis Community Learning
www.oasiscommunitylearning.org - part of Oasis UK.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales (No. 5398529) and an Exempt Charity Registered Office: 75 Westminster Bridge Road, London SE1 7HS

Likewise, we are passionate about ensuring that you transition positively from Mayfield. To support this further, we have collated all the available resources from both colleges and apprenticeship providers and made them available centrally through a dedicated Year 11 Transition Toolkit on our school website.

Included within our comprehensive Year 11 Transition Toolkit is:

- a suite of bespoke resources from each college,
- complementary subject-specific PiXL workbooks to scaffold academic transition to college,
- GCSEPod transition package to prepare for learning at A-level,
- access to the Southampton Flying Start Programme to help young people in Year 11 plan, prepare for and make decisions about their next steps,
- information on summer internships available through InvestIN, and
- access to live webinars via the Solent Apprenticeship Hub.

Should you have any questions surrounding careers, college or apprenticeships, please refer to Access Southampton in the first instance which can be accessed using the following link: <http://access-southampton.co.uk/leaving-school>. Alternatively, you can contact Mrs J Rance (Careers Adviser) by email using Jan.Rance@OasisMayfield.org for additional information or guidance.

GCSE Results Day

As is tradition across the country, each year we join together to celebrate our students' successes as they collect their final GCSE results in August. This year, these celebrations are likely to look very different. Whilst we know that GCSE results will continue to be published to students on **Thursday 20 August 2020**, I know you will appreciate the evolving landscape of health and safety surrounding Covid-19 means that, at this point, we are unable to confirm any firm arrangements for collecting you GCSE results in August.

This being said, we are continuing to plan a range of possibilities and, once we receive further guidance from both the government and the Department for Education, we will be in a better position communicate our plans further. We want to reassure you, however, that the safety and wellbeing of both our student and staff community will remain our utmost priority and any plans we develop will be built around this as our core focus.

Finally...

Before we closed the school for lockdown, Mr Grindley and I made a commitment to you that we would find a time to celebrate your 5 years as a student at Mayfield. We continue to make this commitment to you. To support in our planning for our final steps in saying farewell to our year group, please complete the Year 11 Exit Interview found here: <https://bit.ly/36hZRQ6>.

Again, I want to thank you for your continued support. If you wish to discuss the contents of this letter further, I would welcome further contact by email using Simon.Knight@oasismayfield.org.

Yours faithfully

Mr S Knight
Assistant Principal
