

15th November 2020

Dear Parents/carers,

We have been made aware of a member of our academy community who has tested positive for COVID-19.

As you know, we have put extensive measures in place to ensure that our students and staff are as safe as possible as we have welcomed our young people back to school. This is an isolated individual case in a year group bubble, so please don't be alarmed, but it is a reminder that we all need to remain vigilant, both in school and in the wider community.

We are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The small number of children who have been in close contact with the individual who has tested positive for coronavirus (COVID-19) have already received a letter informing them of the next steps they should take in terms of isolation.

The Academy remains open for all other students and your child should continue to attend as normal if they remain well.

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least **10 days** from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

All other household members who remain well, must stay at home and not leave the house for 14 days. This includes anyone in your 'Support Bubble'.

Principal - Claire Taylor

Oasis Academy Mayfield

Ashley Crescent, Southampton, SO19 9NA

Tel: 023 8032 8128 Email: info@oasismayfield.org

www.oasisacademymayfield.org

Oasis Academy Mayfield is sponsored by Oasis Community Learning
www.oasiscommunitylearning.org - part of Oasis UK.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales (No. 5398529) and an Exempt Charity Registered Office:
75 Westminster Bridge Road, London SE1 7HS

Further information is available at: <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

The 14-day period starts from the day when the first person in the house became ill.

Household members should not go to work, school or public areas and exercise should be taken within the home.

If you require help with buying groceries, other shopping or picking up medication, or walking a dog, you should ask friends or family. Alternatively, you can order your shopping online and medication by phone or online.

Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community

If you are able, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period.

Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>. If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at <https://111.nhs.uk/> or by phoning 111.

Reporting a positive case to the academy. If your child tests positive for COVID -19 it is essential you let us know as soon as possible by dialling the **main academy switchboard and choosing Option 6**, this facility is available out of hours, weekends and school holidays.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/> .

Thank you for your continued support during the disruption caused by the coronavirus. If you have any questions, please contact the Academy by e-mailing info@oasismayfield.org

Yours sincerely,

Claire Taylor
