

4th December 2020

Dear Parents and Carers,

Thank-you for your ongoing support during this term as we have brought the full school community back to education safely.

In line with the current government guidelines and our academy risk management strategy we will continue with our year group 'bubbles' and zones in the new year.

Our number one priority is the safety of your child, your family and of our staff. We have listened to your feedback regarding the winter weather and dark evenings and are confident that our entry and exit routines can be further streamlined; this will reduce the time taken to bring students into the academy safely and ensure a more consistent departure time for all.

We are able to have two year groups enter at the same time as we will be lining up and entering the Academy building in separate locations, ensuring that the bubbles remain separate.

This improvement to the arrival and departure times for students will take place from the first day of the Spring Term **Tuesday 5th January 2021**. For everyone's safety, it is important that students do not arrive more than 20 minutes before their allocated start time.
