

February 2021

Dear Parent / Carer

Last month we offered an opportunity in partnership with [Twenty Twenty Learning](#) and SUN for two online workshops for parents and carers. There was an overwhelming response to this offer, and we have decided to book two further workshops sessions for parents who did not have the opportunity the first time around.

Each workshop is one hour and will be led by Dr Felicity Wallace, a HCPC registered Educational and Child Psychologist with over 10 years' experience working in education. She has previously worked as a secondary school teacher, in educational charities and has an MA in Educational Leadership.

Please see below for dates and booking information:
