

March 2021

Dear Parent / Carer

Year 10 – Raising Achievement Evening

We would like to invite you to our first Virtual Raising Achievement Evening for Year 10, focusing on exam preparation, on **Thursday 18th March 2021** from **6.00pm to 7.10pm**.

We are sure you will agree that Year 10 is a vitally important year. With this in mind, we want to support students in preparing for the year ahead. Recognising the pressure of Year 10, we want to empower our students with tools to enhance their organisation and wellbeing.

We have therefore created a programme for the evening that will act to:

- cement our highest expectations in each student achieving their personal best,
- outline important information that will empower you to support your child over the coming months around careers and next steps
- share some important information about our core curriculum

Our first Raising Achievement Evening will take place **online** via Microsoft Teams. The event will start with our **Main Meeting at 6.00pm (link and sign up below)**. We will also run two further Raising Achievement Evenings over the next year, the first in the Autumn focusing on post-16 opportunities and subject-specific support and then another next Spring to focus on revision, stress management and preparation for exams.

This is an important evening for students to attend alongside you as their parent / carer. Our skilled Year 10 team will be involved in the event.

To register your attendance at the event, please complete the form here: [Registration Form](#) If you encounter any difficulties in registering your attendance, please contact Mrs B Best on 023 8032 8128 (Ext. 72226) who will be able to book on your behalf.

Should you wish to discuss this further, please contact Miss K Micklewright using katy.micklewright@oasismayfield.org. We hope you agree that this is an exciting opportunity for both you and your child to realise their potential and best prepare for the year ahead.

Yours sincerely

Miss K Micklewright
Assistant Principal
