Dear Parents/carers,

The safety and security of students is our top priority at Oasis Academy Mayfield.

With that in mind, I wanted to make you aware of an incident reported to school and Hampshire Police that took place on Kathleen road this morning.

A Mayfield student informed us that they were followed by a vehicle. This happened before school at approximately 8 am. The student reported that a white male aged 50-60, tall with greying hair and stubble, in a silver/ grey Vauxhall, had driven alongside her, and stopped the car. The student ran away and the man then drove off.

While our student was not physically harmed in this incident and is safe. I would encourage you to take the opportunity to speak with your child about the importance of safety, walking in pairs or groups and to remain vigilant at all times.

Please advise your child not to approach any unknown vehicles and discuss with them how they would seek help if concerned.

This matter is now with Hampshire Constabulary who are taking this incident very seriously and carrying out further investigations. We are working closely with our neighbourhood Police Team who are increasing their presence in the area.

Kind regards,

Sarah Richards
