Dear Parent/Carer,

I am writing to thank you for your on-going support in ensuring students fully engage with their online learning. The enthusiasm, resilience and flexibility to learning we have seen this half term has been wonderful to see.

We are really excited that we have now had our full Horizon roll out and that our Year 7 to 10 students have all received their iPads. We look forward to seeing students using them for their online learning and beyond. If you have not seen already, please visit our Facebook page to see some fantastic digital art created on the iPad's by a couple of our Year 9 students.

I would also like to take this opportunity to remind all parents that should you wish to communicate with your child's teacher this should be done via phoning reception 02380 328128 or email [info@oasismayfield.org](mailto:info@oasismayfield.org), where a message will be passed on for you. Alternatively, you can contact a member of staff directly using their academy email address. These can be found on our website.

We will be in touch with you as soon as we have details of schools re-opening with arrangements, until then thank you for your continued support. We hope your child has a restful half term and has some well-deserved time away from their screens. Stay safe.

Yours sincerely
