Dear Parent / Carer

**Update – Year 11**

You will remember that I wrote to you all in June with regards to year 11 Transition. Over the past week, year 11 tutors have been in contact with their tutees to carry out 1:1 Transition Interviews. These interviews have been a combination of online and face to face meetings for 10/15min. This has been a great opportunity for us to ensure that our students are keeping well and provide any further support if required. This is also an opportunity for us to ensure that students have contacted the College that they will be attending in September and attended the onsite College open days that are available.

I would also like to draw your attention again to the transition toolkit that students can access on the school website. This area on the school website is regularly updated. This week we have additional information from the National Citizen Service (NCS) is an opportunity that helps 16-17 year olds build skills for work and life, embark on new challenges, meet new people and contribute to your local community.

**Year 11 Graduation celebration**

Given the Prime Minister’s announcement regarding the roadmap to lifting restrictions, it will not be possible to go ahead with the onsite Graduation celebration as we’d hoped on Friday 2<sup>nd</sup> July.

I realise this will be disappointing to students, parents and carers and would like to reassure you that we are currently seeking an alternative date, in the autumn term, for us to celebrate together.

In the meantime, we look forward to seeing all of our year 11 students on 12<sup>th</sup> August for GCSE results day, information to follow closer to the date.

Yours faithfully

Kali Warwick
