

20th May 2024

Dear parents and carers,

I am writing to you with positive news following our Ofsted inspection earlier this term. I am delighted to share with you that inspectors found Oasis Mayfield to be a 'Good' school across all four of the inspection areas.

Inspectors recognised that the Mayfield Way is at the heart of everything we do.

'Pupils across the school demonstrate the school's values of being proud, kind and determined. They are taught what these values mean and how to behave in line with them.'

The report is very positive about the curriculum and inspectors are confident that it is having a positive impact.

'pupils are now making good progress through the curriculum. Pupils can discuss what they have learned with confidence, and they produce high-quality work. Pupils with special educational needs and/or disabilities (SEND) are very well supported in lessons and take advantage of everything the school offers.'

There is also recognition for the wider enrichment offer we provide.

'The school provides pupils with many well-planned experiences to enrich their lives and broaden their horizons.'

We have been given valuable feedback on what we should to continue to work on. This includes continuing our work to reduce the absence of our students, so they don't miss out on vital learning.

Please take time to read the full report on our website by clicking [here](#).

We could not have achieved these improvements without your backing and the continued hard work and enthusiasm of our staff and students. I would like to take this opportunity to say thank-you to you all for your ongoing support.

Yours sincerely,

Claire Taylor
Principal
