

Dear Parents/Guardians,

We hope this message finds you well. As the academic year draws to a close, we would like to inform you about an essential process for our Year 11 students.

On **Friday June 14th, 2024**, after their last GCSE exam (Physics) as a year group, Year 11 students will be returning their school-issued iPads, chargers, and protective cases.

Procedure for iPad Return:

- Student will bring their iPads in on Friday 14th before their Physics exam. They will leave it in their bag for the exam, ensuring it is turned off so no alarms disrupt the exam.
- After completing their exam, they will be led to the Agora where they will hand their iPad and chargers in at a designated point.

Further information:

- If your child has an exam after this date and would like to keep it for revision purpose until they have finished their exam, please let us know and we can make alternative arrangements.
- If a student fails to hand in their iPad without letting us know in advance, they may not receive their ticket to the school Prom until the iPad has been returned.

The above is important for the following reasons:

1. **Preparation for the Next Cohort:** By collecting these devices in, we ensure that our incoming Year 7 students have the same opportunities and access to technology. This allows us to maintain a consistent learning environment across all year levels.
2. **Maintenance and Repairs:** If any iPads or chargers are missing, we will promptly contact parents or guardians. We kindly request your cooperation in ensuring that all devices are accounted for. If a charger is not handed back, we may ask for a contribution towards one through My Child At School to ensure we can have one ready for next year's year 7.

Contact Information:

- If you have any questions or concerns regarding this process, please feel free to reach out to our school office or myself directly at matthew.king@oasismayfield.org
